Secretary— Ken Cabbage

786-4448

Treasurer— Ben Rasch

539-8920

Newsletter Editor—

Cormac Thompson

781-0150

Director—Thom Kuykendall

366-6075

The South Central Washington Chapter of the EAA meets the third Saturday of every month at 10 a.m. in the main airport hangar/office building, 111 Nunn Rd. Anyone interested in aviation is welcome to attend and new members are always welcome. Our goal is to foster flying, building, education and social activities for all our members. That's why they call us Wing-Nuts!

President's Corner

Bob Potter

Well this is a new experience! Lately it seems to be just one good day after another! My wife asked me at breakfast, the day after the last meeting, "Well dear how do you feel now that your dream has come true?"

After a moment I replied, "Well I really feel good about the

new chapter but I can't help but feel bad for the old." So I guess that's it. New is great but old was too. Time marches on.

We counted up to 25 members that joined at our first recorded Chapter meeting. See the list of Officers & Directors to the left of this article. I'm so happy and proud of the way our chapter has left off the ground...like a homesick Angel.

We have things going on at the Port of Benton hangar where our Chapter meetings are held.

We have jigs built and wing ribs under construction for a one-of-a-kind all wood low wing Part 103 U/L. Our program will feature this project at the February meeting. See the agenda for the upcoming meeting elsewhere in this issue.

We are looking forward to people of like mind coming to see what we're doing.

Thom, Cormac and I are there regularly, drop in for a visit anytime.

RLP—Presidential Wing-Nut

New Chapter Thanks Port

The South Central Washington Chapter of EAA wants to extend its sincere thanks for the support offered in our new venture intended to help revitalize aviation activity at the Prosser Airport.

MORE USEFUL

INFORMATION

COMING SOON.

The meeting was called to order by Bob Potter. After an introduction of all persons present, Bob volunteered to be our first President and was accepted by the body of members present.

There was a discussion about the amount the annual dues for the club should be and it was voted on by the members for \$25 for individuals and \$30 for a family membership.

Pres. Potter then called for an election of officers and after nominations, discussions and votes the following people were elected to office as follows: Vice-President, Tim Lyczewski; Treasurer, Ben Rasch; Secretary, Ken Cab-

bage; News Letter Editor, Cormac Thompson and Director, Thom Kuykendall.

Also needed are a Tech Counselor, a Flight Advisor and an Activities Coordinator and these positions will be voted on at a later time.

The Board of Directors will be comprised of all Officers and the Director.

An open discussion following during which Pres. Potter said he wants the chapter run by the members. It was agreed that e-mail delivery would be the best method of delivery for the newsletter. Chapter nicknames were kicked around and the official name for the Chapter cho-

sen is South Central Washington Chapter ??? EAA with Wing-Nuts as the club nickname.

The question was asked about the difference between a single or family membership. To have a family membership locally you must have one at the national level. A family membership will pay for itself if you attend just one national EAA event a year.

Bob handed out membership forms for national to those who needed to sign up.

The Treasurer was directed to set up a bank account.

The meeting was adjourned.

AGENDA—FEBRUARY 16, 2008

Call to Order

Minutes of Last Meeting

Treasurer's Report

Old Business:

- 1- Review application to National
- 2- Status of local dues payments

New Business:

- 1- Review EAA Charter & Bylaws
- 2- Discuss possible summer Fly-In
- 3- Promoting membership
- 4- Chapter website development
- 5- Northwest Aviation Trade-Show

Adjourn meeting

Program: Demo wooden rib construction

Here's an event well worth attending. The Annual Northwest Aviation Conference and Trade Show on February 23 & 24 at the Showplex Exhibition & Conference Center on the Western Washington Fairgrounds in Puyallup, WA. The Port of Benton will be an exhibitor this year promoting their airports.
