Special Notice

December Meeting / Christmas Party (2nd Saturday)

6:00 p.m.—Saturday—December 13, 2008

President's Corner

Bob Potter

Well now, about the November meeting!! I don't know what happened to the turnout for this meeting, but I suspect that many must have had "electionitus manipulatus negativitus." If so I would like to bring up the question that I asked at the meeting, "How many of you read the newsletter?" I got blank stares. Had you read the newsletter you would have known that a slate of nominees had been chosen and all you had to do was show up and make your choice—no pressure—no sweat!

Then you would have had a part in selecting whether or not we got together for a Christmas Party / Potluck / Chapter meeting. It was decided that we would and it would be on Saturday, Dec. 13 at 6:00 p.m. at the POB hangar in Prosser. The meeting is open to all

members and family.

It will be potluck. For those not accustomed, this is my definition. Bring enough food for you and the people you bring. And then add enough to help out those who are not quite as fortunate as you and yours to a MERRY CHRISTMAS.

I will do a large turkey. The chapter has soft drinks and coffee left over from past events. Favorite beverage of your choice is acceptable @ BYOB.

We have chairs that we can borrow from 391 that are easier to get up to a table than the lawn chairs. A few more portable tables would come in handy but I have a few. To help please contact me.

We will have a White Elephant gift exchange. Bring something wrapped up. Everyone puts it in the pile and takes another one. Don't open, walk around and visit and trade or not. Then open and trade if desired.

Happy Thanksgiving, Merry Christmas and thanks for a rewarding year as your first chapter President. Come meet your new officers.
